

DENNIS GOLF ASSOCIATION

2018

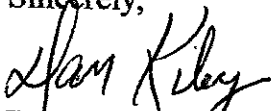

The Dennis Golf Association invites all members of the Pines/Highlands golf courses to become members of the Association. Members enjoy several golf outings as well as social events, such as an eighteen hole shotgun, nine hole scrambles and buffets.

Your association will continue to award up to three junior memberships to qualified students who are residents of Dennis and three \$1,500 scholarships to Dennis seniors who seek to further their education after graduating from high school. We will continue to hold our "Closest to the Pin Contest" in late August at both courses to raise funds for these worthy causes.

The events scheduled for this season is in the process of being finalized. Membership dues is (\$10) ten dollars per person. We encourage you to be an active participant in your organization. Volunteers to help set up teams and guidelines on the Saturday mornings before our bi-weekly events are needed, as well as help for the "Closest to the Pin" event. If everyone would pitch in, then this season could be the best ever !!

The association extends its thanks to Golf Director Mike Cummings and his staff who help us reach all the members of the Pines/Highlands courses. This DGA membership form is now available for PRINTING on line for your convenience.

Sincerely,

Dan Kiley, DGA President
